[illegible]

- 
- The diagram illustrates the construction of a 16x16 grid. It shows a 16x8 grid (top) and an 8x8 grid (bottom). The 16x8 grid is composed of 16 columns, each containing 8 small squares. The 8x8 grid is composed of 8 columns, each containing 8 small squares. The 16x8 grid is formed by concatenating the 8x8 grid with itself horizontally. The 8x8 grid is formed by concatenating the 16x8 grid with itself vertically.
